Proceedings services for science

Submission questionnaire

We would be grateful if you could spare the time to answer this short questionnaire.

The answers you provide will greatly assist us in ensuring your conference is not only catalogued and indexed correctly, but also promoted to the right audience.

1. Official name of your conference, symposium or workshop

2. Exact dates and place where conference was held

3. Sponsoring organisations (organisations that have sponsored or supported the running of this conference)

4. Names and affiliations of all editors (in the order as they should appear on the title page)

5. Short description of your proceedings using several keywords (please describe the technical areas and applications covered by the proceedings)

6. Can you highlight some key features of the conference and/or proceedings volume; for example, noteworthy developments or themes from the conference, prominent speakers or authors. (We may use this information to promote the volume)

7. Who is most likely to read your proceedings? Indicate the positions and fields in which readers might work.

8. When and where will the next conference or workshop take place?

Date:

Place:

9. Who will be the next conference organizer or chairperson?

Name:

E-mail:

10. Are you aware of any other conferences or workshops that would benefit from publishing their proceedings with IOP? If yes, please list:

11. Why did you chose to publish with IOP Conference Series

- Price
- Open access
- Reputation of publisher
- Recommendation (please provide name and conference of recommender)

Flexibility of publishing (open access, print, CDs)

Other (please specify)

12. Will you be recommending IOP to your colleagues?

Yes No

13. Testimonial. We are always keen to share our customers' experiences, and would be grateful if you could provide us with a sentence or two describing your own personal experience of publishing your proceedings with IOP.

Name:

E-mail:

Date:

We are most grateful to you for your help.

Thank you for choosing to publish your proceedings with IOP Publishing.
