

## Open access publishing available here

You can enjoy all the benefits of open access (OA) publishing thanks to a transformative agreement between your institution and IOP Publishing. When papers from corresponding authors are accepted for publication, all OA fees are covered by your library, so you don't have to worry about the cost or burden of paying article publication charges.

### Key benefits:

- Unlimited OA publications in the majority of IOP Publishing journals for all corresponding authors from your institution
- Read access to some of the world's best physical sciences research
- Articles will be published under a CC-BY licence at no cost to you

### It's as simple as this:

### Enjoy all the benefits of open access with none of the cost:

#### Get greater exposure

**70%**

OA article downloads are on average 70% higher than non OA articles in the same journal.

#### Achieve a higher impact

**15%**

OA article citations are on average 15% higher than non OA articles in the same journal.

#### Be the word on the street

**19%**

OA article Altmetric scores are on average 19% higher than non OA articles in the same journal.
